Tips

- If you are a beginner, I recommend using a light-colored yarn so that you can easily see your stitches.
- Be sure to check your gauge before you start crocheting. This will help you ensure that your jacket fits the size you want it to.
- If you run out of yarn, don't worry! You can simply join a new skein of yarn by tying the two ends together with a knot.
- If you have any questions, feel free to leave a comment below and I will be happy to help.

I hope you enjoy crocheting this baby jacket! It is a great project for beginners and is sure to be a cherished keepsake for years to come.
