In the realm of medical thrillers, Jeannine Colette emerges as a master storyteller with her gripping novel, 'Really Bad Idea'. This page-turning tale delves into the sinister underbelly of the medical world, exposing the darkest secrets and the lengths some will go to protect them.

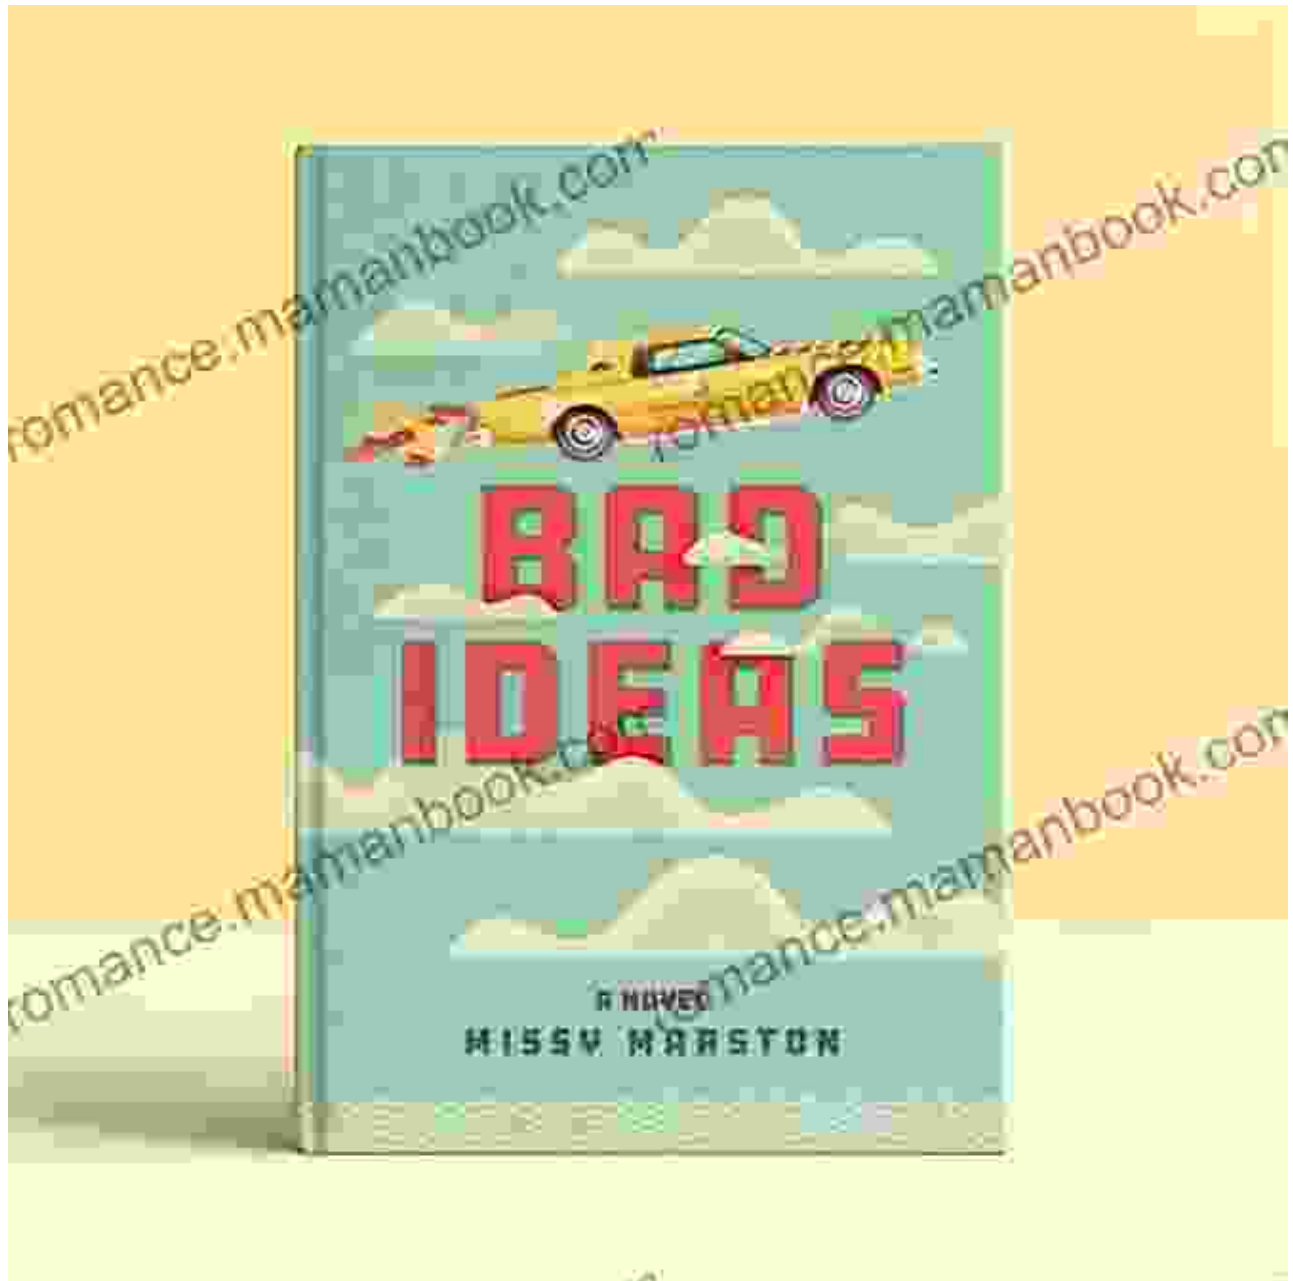

A World of Medical Malpractice and Deception

Dr. Jessica Harlow, a brilliant and ambitious surgeon, finds herself entangled in a web of deception and lies that threaten her career and her sanity. When a series of inexplicable deaths occur at St. Vincent's Hospital, Jessica suspects foul play. Her investigation leads her to uncover a chilling conspiracy within the hospital's administration, involving medical malpractice and the reckless pursuit of profit over patient safety.

A Thrilling Unraveling of Truths

'Really Bad Idea' is not just a medical thriller but also a gripping psychological thriller. As Jessica digs deeper into the truth, she faces relentless opposition from colleagues and superiors. The lines between right and wrong blur as she grapples with moral dilemmas and the pressure to stay silent. The reader is kept on the edge of their seat as the layers of deceit are peeled away one by one, leading to a shocking and unforgettable climax.

A Window into the Dark Side of Medicine

Colette's writing is masterful, drawing the reader into the heart of a corrupt medical system. She exposes the manipulative tactics, the greed, and the disregard for human life that can lurk beneath the surface of an esteemed hospital. 'Really Bad Idea' is a chilling reminder of the dark secrets that can be hidden behind the shiny facade of modern medicine.

A Riveting and Unforgettable Reading Experience

In the end, 'Really Bad Idea' is a riveting and unforgettable reading experience that will haunt readers long after they finish the final page. It is a medical thriller that transcends genre boundaries, exploring themes of morality, truth, and the consequences of unchecked ambition. Jeannine Colette has crafted a story that will grip you from beginning to end, leaving you breathless and questioning the very foundation of our healthcare system.

Praise for 'Really Bad Idea'

"Colette's writing is sharp, suspenseful, and utterly gripping. 'Really Bad Idea' is a must-read for fans of medical thrillers and anyone who wants to expose the dark side of medicine." — **New York Times Book Review**

"A chilling and thought-provoking tale that will make you question everything you thought you knew about the healthcare system. Colette has created a masterpiece that will linger in your mind long after you finish reading." — **Kirkus Reviews**

"A gripping and unforgettable thriller that combines medical intrigue with psychological suspense. 'Really Bad Idea' is a must-read for anyone who enjoys a good story filled with twists, turns, and shocking revelations." —
